

ORPHAN HEADING FIXTURE

[illegible]

3. PER-SOURCE ROWS

Line 01 describes source row 1 with enough words to occupy a full printed line at eight point Spectral on A4.
Line 02 describes source row 2 with enough words to occupy a full printed line at eight point Spectral on A4.
Line 03 describes source row 3 with enough words to occupy a full printed line at eight point Spectral on A4.
Line 04 describes source row 4 with enough words to occupy a full printed line at eight point Spectral on A4.
Line 05 describes source row 5 with enough words to occupy a full printed line at eight point Spectral on A4.
Line 06 describes source row 6 with enough words to occupy a full printed line at eight point Spectral on A4.
Line 07 describes source row 7 with enough words to occupy a full printed line at eight point Spectral on A4.
Line 08 describes source row 8 with enough words to occupy a full printed line at eight point Spectral on A4.
Line 09 describes source row 9 with enough words to occupy a full printed line at eight point Spectral on A4.
Line 10 describes source row 10 with enough words to occupy a full printed line at eight point Spectral on A4.
Line 11 describes source row 11 with enough words to occupy a full printed line at eight point Spectral on A4.
Line 12 describes source row 12 with enough words to occupy a full printed line at eight point Spectral on A4.
